## Health in the Canal Zone

The high wages paid make it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained however by the fear of fevers and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarious influence with Electric Bitters on hand. Cures blood poison too; biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by J. H. Orme druggist, 50c.

Every family should have a representative newspaper from the metropolis of a State, in addition to the home newspaper. The Louisville Herald is up-to-date in its news service, is clean and bright and meets every requirement. The publisher of this paper has arranged to club THE CRITTENDEN RECORD-PRESS with the Daily Herald and offers the two papers at \$2.00 per year. The special price quoted by The Louisville Herald is for a limited period only. Send in your subscription to us before this splendid offer expires.

## Dangers of Pneumonia

A cold at this time if neglected is liable to cause pneumonia which is so often fatal, and even when the patient has recovered the lungs are weakened, making them peculiarly susceptible to the development of consumption. Foley's Honey and Tar will stop the cough, heal and strengthen the lungs and prevent pneumonia. La Grippe coughs yield quickly to the wonderful curative qualities of Foley's Honey and Tar. There is nothing else "just as good." J. H. Orme.

## Neglected Colds Threaten Life

"Don't trifle with a cold," is good advice for prudent men and women. It may be vital in the case of a child. Proper food, good ventilation, and dry, warm clothing are the proper safeguards against colds. If they are maintained through the changeable weather of autumn, winter and spring, the chances of a surprise from ordinary colds will be slight. But the ordinary light cold will become severe if neglected, and a well established ripe cold is to the germs of diphtheria what honey is to the bee. The greatest menace to child life at this season of year is the neglected cold." Whether it is a child or adult, the cold slight or severe, the very best treatment that can be adopted is to give Chamberlain's Cough Remedy. It is safe and sure. The great popularity and immense sale of this preparation has been attained by its remarkable cures of this ailment. A cold never results in pneumonia when it is given. For sale by Haynes & Taylor.

## Biliousness

"That sallow, yellow look, those terrible headaches, that dull brain; all these things spell biliousness, which is the direct result of a liver which fails to perform its functions in a natural way. Before you can destroy that bilious condition you must get your liver in form and nothing will accomplish this so quickly or so thoroughly as

## I'm Happy.

I'm sitting by the fire tonight,  
With baby on my knee.  
The coals are glowing hot and bright,  
I'm happy as can be.  
I'm waiting for the man I love,  
Whose footsteps firm and strong  
Are music to my waiting ears,  
I'm happy all day long.

I'm happy as I work all day  
And singing as I go,  
My baby on my arm sometimes  
While working to and fro;  
The kettle singing merrily,  
The lamps and windows bright,  
And supper hot and tasty  
When papa comes at night.

Don't talk to me of "Suffrage."  
Of "Politics," or plan;  
Give me a fireside cozy,  
A baby and a man;  
The ancients may have been quite wise,<  
The modern very sweet,  
But without these requirements  
Life is not quite complete.

I hear the engine whistle now  
As he goes rushing by,  
He waves his lantern merrily,  
I hold the lamp up high;  
The baby crows and hallooos  
And waves a "how-de-do,"  
And papa throws her kisses  
And the baby throws one, too.

Oh! monster of the strength and steam  
Be careful of my love,  
Protect and guard him kindly  
I pray to God above,  
From all the ills and dangers  
That are in a railroad life.  
And send him home in safety  
To his baby and his wife.

—Mrs. Agnes Ten Voorde, in R. R. Trainmen's Journal.

The complete Hyomei outfit costs but \$1.00, extra bottles, if needed, may be obtained for 50c. With Hyomei catarrh can be cured pleasantly and at small expense with no risk of the treatment costing a penny unless it cures.

## Beware of Catarrhs for Catarrh that Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists. Price 75c. per bottle. Take Hall's Family Pill for constipation.

## Do not Crowd The Season

The first warm days of spring bring with them a desire to get out and enjoy the exhilarating air and sunshine. Children that have been housed up all winter are brought out and you wonder where they all came from. The heavy winter clothing is thrown aside and many shed their flannels. Then a cold wave comes and people catch that gripe is epidemic. Colds at this season are even more dangerous than at mid-winter, as there is much more danger of pneumonia. Take Chamberlain's Cough Remedy, however, and you will have nothing to fear. It always cures, and we have never known a cold to result in pneumonia where it was used. It is pleasant and safe to take. Children like it. For sale by J. H. Orme, the leading druggist in western Ky.

## Situations Guaranteed.

We do not guarantee situations in positions of students in order to get their parents' money. Schools of merit do not resort to such dishonest practices. Fake schools "guarantee" situations in order to secure students, because they have no other inducements to offer. Our work is so thorough that a guarantee is superfluous. Business men are so anxious to get competent help here that a large percentage of our students take positions before they graduate. See us before making arrangements for your business and shorthand education at some inferior, fake school. We will do pleasure in telling you all about the "positions" in the "positions" guaranteed at our honest schools. Catalogue free.
